SECTION 2: PRINCIPLES OF THE ARMED FORCES COMMUNITY COVENANT

2.1 The Armed Forces Community Covenant is a voluntary statement of mutual support between a civilian community and its local Armed Forces Community. It is intended to complement the Armed Forces Covenant, which outlines the moral obligation between the Nation, the Government and the Armed Forces, at the local level.

2.2 The purpose of this Community Covenant is to encourage support for the Armed Forces Community working and residing in the Warminster Area and to recognise and remember the sacrifices made by members of this Armed Forces Community, particularly those who have given the most. This includes in-Service and ex-Service personnel their families and widow(er)s in the Warminster Area

2.3 For Warminster Town Council, Area Board and Villages and Communities Partnership, the Community Covenant presents an opportunity to bring their knowledge, experience and expertise to bear on the provision of help and advice to members of the Armed Forces Community. It also presents an opportunity to build upon existing good work on other initiatives such as the Welfare Pathway.

2.4 For the Armed Forces community, the Community Covenant encourages the integration of Service life into civilian life and encourages members of the Armed Forces community to help their local community.
